

The current structure, companies and markets of the aggregates producing industry  
in Great Britain

Contents

	Page No.
1 Executive Summary	1
2 Background and market size definition	12
3 Industry structure and market size	15
3.1 Structure and market size	15
3.2 Comparisons of market share between crushed rock and sand and gravel	20
4 End use of aggregates / primary production	22
4.1 End use of sand and gravel	22
4.2 End use of sandstone	24
4.3 End use of igneous rock	25
4.4 End use of limestone	26
5 End use of aggregates by construction sector	27
5.1 End use sales of sand and gravel	27
5.2 End use sales of crushed rock	28
6 Asphalt production	29
6.1 Asphalt market size	29
6.2 Asphalt company market shares	31
7 Ready mixed concrete production	32
7.1 Ready mixed concrete market size	32
7.2 Ready mixed concrete company market share	33
8 Precast concrete – The aggregates market	34
9 Aggregates reserves	36

10	Competitor Analysis	39
	10.1 Tarmac Group	39
	10.2 Hanson Plc	41
	10.3 RMC Group Plc	43
	10.4 Aggregate Industries Plc	45
	10.5 Lafarge	47
	10.6 Robert Brett & Sons Ltd	49
	10.7 Foster Yeoman Ltd	50
	10.8 Ennstone Plc	51
11	Regional Analysis	52
	11.1 South East	52
	11.2 South West	60
	11.3 West Midlands	69
	11.4 East Midlands	76
	11.5 East Anglia	84
	11.6 Yorkshire & Humberside	91
	11.7 North West	98
	11.8 Northern	104
	11.9 Wales	111
	11.10 Scotland	117
12	Primary aggregates transportation methods	123
13	Management structure of top five aggregates companies	125

## Charts

1	Company market share of asphalt production – 2002	31
2	Company market share of ready mixed concrete production 2002	33
3	Permitted sand and gravel reserves within active sites	37
4	Permitted crushed rock reserves within active sites	38
5	Tarmac market share of sand and gravel and crushed rock 1990 and 2002	39
6	Hanson market share of sand and gravel and crushed rock 1990 and 2002	41
7	RMC market share of sand and gravel and crushed rock 1990 and 2002	44
8	Aggregate Industries market share of sand and gravel and crushed rock 1990 and 2002	46
9	Lafarge market share of sand and gravel and crushed rock 1990 and 2002	48
10	South East aggregate share of production comparison by company 1990 and 2002	55
11	Company market share of aggregates in the South East region – 2002	56
12	Quarry outputs of sand and gravel in the South East region	57
13	Quarry outputs of crushed rock in the South East region	58
14	South West aggregate share of production comparison by company 1990 and 2002	63
15	Company market share of aggregates in the South West region – 2002	64
16	Quarry outputs of sand and gravel in the South West region	65
17	Quarry outputs of limestone in the South West region	66
18	Quarry outputs of hardstone and sandstone in the South West region	67
19	West Midlands aggregate share of production comparison by company 1990 and 2002	72
20	Company market share of aggregates in the West Midlands region – 2002	73
21	Quarry outputs of sand and gravel in the West Midlands region	74
22	Quarry outputs of crushed rock in the West Midlands region	74
23	East Midlands aggregate share of production comparison by company 1990 and 2002	79
24	Company market share of aggregates in the East Midlands region – 2002	80
25	Quarry outputs of sand and gravel in the East Midlands region	81
26	Quarry outputs of crushed rock in the East Midlands region	82
27	East Anglia aggregate share of production comparison by company 1990 and 2002	86
28	Company market share of aggregates in the East Anglia region – 2002	87
29	Quarry outputs of sand and gravel in the East Anglia region	88
30	Quarry outputs of crushed rock in the East Anglia region	89
31	Yorkshire & Humberside aggregate share of production comparison by company 1990 and 2002	93
32	Company market share of aggregates in the Yorkshire & Humberside region – 2002	94
33	Quarry outputs of sand and gravel in the Yorkshire & Humberside region	95
34	Quarry outputs of crushed rock in the Yorkshire & Humberside region	96
35	North West aggregate share of production comparison by company 1990 and 2002	100

36	Company market share of aggregates in the North West region – 2002	101
37	Quarry outputs of sand and gravel in the North West region	102
38	Quarry outputs of crushed rock in the North West region	103
39	Northern aggregate share of production comparison by company 1990 and 2002	106
40	Company market share of aggregates in the Northern region – 2002	107
41	Quarry outputs of sand and gravel in the Northern region	108
42	Quarry outputs of crushed rock in the Northern region	109
43	Wales aggregate share of production comparison by company 1990 and 2002	113
44	Company market share of aggregates in Wales – 2002	114
45	Quarry outputs of sand and gravel in Wales	115
46	Quarry outputs of crushed rock in Wales	116
47	Scotland aggregate share of production comparison by company 1990 and 2002	119
48	Company market share of aggregates in Scotland – 2002	120
49	Quarry outputs of sand and gravel in Scotland	121
50	Quarry outputs of crushed rock in Scotland	122

### Graphs

1	Total production of all aggregates, 1970 – 2002	16
2	Total production of crushed rock, 1970 – 2002	16
3	Total production of land won sand and gravel, 1970 – 2002	17
4	Total production of marine dredged sand and gravel, 1970 – 2002	17
5	Total aggregate production, 1970 – 2002	18
6	Comparison of total production of crushed rock and sand and gravel, 1970 – 2002	20
7	Comparison of production of crushed rock and sand and gravel as a percentage, 1970 – 2002	21
8	Asphalt production, 1970 – 2002	30
9	Ready mixed concrete production, 1970 to 2002	32

### Pie Charts

1	Sales of sand and gravel (including marine dredged) by end use – 2002	23
2	Sales of sandstone by end use – 2002	24
3	Sales of igneous rock by end use – 2002	25
4	Sales of limestone by end use – 2002	26
5	End use sales of sand and gravel by construction sector	27
6	End use sales of crushed rock by construction sector	28
7	Company market share of production of sand and gravel in the South East region	54
8	Company market share of production of crushed rock in the South East region	54
9	Company market share of production of sand and gravel in the South West region	62
10	Company market share of production of crushed rock in the South West region	62

11	Company market share of production of sand and gravel in the West Midlands region	70
12	Company market share of production of crushed rock in the West Midlands region	71
13	Company market share of production of sand and gravel in the East Midlands region	78
14	Company market share of production of crushed rock in the East Midlands region	78
15	Company market share of production of sand and gravel in the East Anglia region	85
16	Company market share of production of crushed rock in the East Anglia region	85
17	Company market share of production of sand and gravel in the Yorkshire & Humberside region	92
18	Company market share of production of crushed rock in the Yorkshire & Humberside region	92
19	Company market share of production of sand and gravel in the North West region	99
20	Company market share of production of crushed rock in the North West region	99
21	Company market share of production of sand and gravel in the Northern region	105
22	Company market share of production of crushed rock in the Northern region	105
23	Company market share of production of sand and gravel in Wales	112
24	Company market share of production of crushed rock in Wales	112
25	Company market share of production of sand and gravel in Scotland	118
26	Company market share of production of crushed rock in Scotland	118

## Tables

1	Comparison of construction industry output with aggregates demand	19
2	BDS estimate of aggregates used in precast concrete manufacture, by main product	34
3	Financial performance of Tarmac Ltd, 1999 – 2001	40
4	Financial performance of Hanson Quarry Products Europe, 1999 – 2001	42
5	RMC financial results for the UK	43
6	Financial performance of Aggregate Industries Ltd, 1999 – 2002	45
7	Financial performance of Lafarge Aggregates Ltd, 1999 – 2002	48
8	Financial performance of Robert Brett & Sons Ltd, 1999 – 2002	49
9	Financial performance of Foster Yeoman Ltd, 2000 – 2002	50
10	Financial performance of Ennstone Plc, 2001 – 2002	51
11	Major quarries in the South West	66
12	Major quarries in the East Midlands	82
13	Major quarries in Yorkshire & Humberside	96
