

The waste management market in Great Britain –  
its structure, markets and prospects

Contents

	<u>Page No.</u>	
1	Summary and conclusions	1
2	Introduction	8
	2.1 Wastes covered in the survey and definitions	8
	2.2 Methods of research	8
	2.3 Authors	9
3	The legislature framework	10
	3.1 EU Directives	10
	3.2 UK legislation and policy	12
	3.3 Environment Agency and SEPA	16
	3.4 WRAP	16
4	Waste arisings	17
	4.1 Total arisings	17
	4.2 Inert	22
	4.3 Municipal	23
	4.4 Industrial & Commercial	26
	4.5 Hazardous	33
5	Waste Disposal	36
	5.1 Landfill volumes	36
	5.2 Landfill void	38
	5.3 Transfer stations	40
	5.4 Composting	42
	5.5 Recycling	46
	5.5.1 Municipal waste	46
	5.5.2 Construction and demolition waste	48
	5.6 Energy from waste plants	51
	5.7 MBT Plants	54
	5.8 Landfill gas generation	55
6	Household Waste Disposal Contracts	57

	<u>Page No.</u>
7	Waste management companies 59
	7.1 Industry structure 59
	7.2 Development, market coverage and strategies of waste management companies 60
	7.2.1 Augean 60
	7.2.2 Biffa 61
	7.2.3 Cory 63
	7.2.4 FCC 64
	7.2.5 Global Renewables 65
	7.2.6 Grundon 65
	7.2.7 Hills Waste Solutions 66
	7.2.8 Shanks 67
	7.2.9 SITA 68
	7.2.10 Veolia 69
	7.2.11 Viridor 70
8	Regional analysis of waste markets 71
	8.1 South East (excluding London) 71
	8.2 London 78
	8.3 South West 82
	8.4 West Midlands 88
	8.5 East Midlands 94
	8.6 East of England 101
	8.7 Yorkshire & The Humber 108
	8.8 North West 114
	8.9 North East 121
	8.10 Wales 126
	8.11 Scotland 131
9	Changes to the regulatory environment 137
10	Development opportunities and strategies for waste management companies 139
 <u>Appendices</u>	
A	Sample Site Waste Management Plan data sheet 142
B	European Waste Catalogue – chapter headings 143
C	Major planning schemes for waste management facilities since January 2007 145
	a) Landfill Schemes 145
	b) MBT Schemes 147
	c) EfW Schemes 149

**Tables**

1	Government policy in England on household waste	14
2	Government policy in Scotland on household waste	15
3	BDS Estimates of total waste arisings in Great Britain (2008)	18
4	Industrial and Commercial waste arisings by waste type and waste management method in England (2002)	27
5	Industrial and Commercial waste arisings by waste type and waste management method in Wales (2002/03)	30
6	Commercial and industrial waste arisings in Scotland by sector – 2005	32
7	England & Wales - Hazardous waste production trends by EWC Chapter	33
8	Scotland - Hazardous waste production trends by EWC Chapter	34
9	England & Wales - Hazardous waste deposit trends by disposal and recovery	35
10	Scotland - Hazardous waste deposit trends by disposal and recovery	35
11	BDS estimate of market shares of top ten landfill companies	37
12	BDS estimates of landfill void and life for landfill companies (2008)	39
13	Waste transfer stations permitted by the Environment Agency as at end of 2006	40
14	Trends in volumes handled at Waste Transfer stations 2000-2006	41
15	Estimated top GB compost producers in 2007	43
16	Analysis of currently active composting sites by region	44
17	Analysis of compost production by region (2007)	45
18	% of local authorities with separate organic collection schemes	46
19	BDS summary of geographical spread and nature of aggregates recycling plants	49
20	BDS estimates of top 10 recycled aggregates producing companies	50
21	EfW plant volumes in England and Wales by type of waste (2006)	51
22	Volumes of waste handled at EfW plants in England and Wales (2006)	52
23	Regional breakdown of the renewable energy schemes	53
24	MBT Plants	54
25	NFFO Orders: status summary as at 31 <sup>st</sup> December 2006	55
26	Regional breakdown of the landfill gas schemes	56
27	Disposal contracts by company	57
28	BDS estimates of market shares of waste management companies in key waste markets	59
29	Financial performance of Augean plc, 2006-2007	60
30	Financial performance of Biffa, 2006-2007	62
31	Financial performance of Cory Environmental, 2005-2006	63
32	Financial performance of WRG, 2005-2006	64
33	Financial performance of Grundon Waste Management, 2005-2006	65
34	Financial performance of Hills Waste Solutions, 2006-2007	66
35	Financial performance of Shanks Group plc, 2006-2007	67
36	Financial performance of SITA UK, 2005-2006	68
37	Financial performance of Veolia Environmental Services, 2006-2007	69
38	Financial performance of Viridor, 2006-2007	70
39	BDS estimates of market shares of landfill companies in the South East (2006)	71
40	Structure of landfill sector in the South East	72
41	BDS estimates of landfill void and life by company in the South East	73
42	Energy from waste plants generating landfill gas in the South East in 2008	76
43	Energy from waste plants treating municipal and industrial waste in 2008 in the South East	77
44	BDS estimates of market shares of landfill companies in London (2006)	78
45	Structure of landfill sector in London	78

46	BDS estimates of landfill void and life by company in London	79
47	Energy from waste plants generating landfill gas in London in 2008	80
48	Energy from waste plants treating municipal and industrial waste in 2008 in London	81
49	BDS estimates of market shares of landfill companies in the South West (2006)	82
50	Structure of landfill sector in the South West	83
51	BDS estimates of landfill void and life by company in the South West	83
52	Energy from waste plants generating landfill gas in the South West in 2008	86
53	Energy from waste plants treating municipal and industrial waste in 2008 in the South West	87
54	BDS estimates of market shares of landfill companies in the West Midlands(2006)	88
55	Structure of landfill sector in the West Midlands	89
56	BDS estimates of landfill void and life by company in the West Midlands	90
57	Energy from waste plants generating landfill gas in the West Midlands in 2008	92
58	Energy from waste plants treating municipal and industrial waste in 2008 in the West Midlands	93
59	BDS estimates of market shares of landfill companies in the East Midlands(2006)	94
60	Structure of landfill sector in the East Midlands	95
61	BDS estimates of landfill void and life by company in the East Midlands	96
62	Energy from waste plants generating landfill gas in the East Midlands in 2008	99
63	Energy from waste plants treating municipal and industrial waste in 2008 in the East Midlands	100
64	BDS estimates of market shares of landfill companies in the East (2006)	101
65	Structure of landfill sector in the east	102
66	BDS estimates of landfill void and life by company in the East	103
67	Energy from waste plants generating landfill gas in the east of England in 2008	106
68	Energy from waste plants treating municipal and industrial waste in 2008 in the East of England	107
69	BDS estimates of market shares of landfill companies in Yorkshire and the Humber (2006)	108
70	Structure of landfill sector in Yorkshire and the Humber	109
71	BDS estimates of landfill void and life by company in Yorkshire and the Humber	110
72	Energy from waste plants generating landfill gas in Yorkshire and the Humber in 2008	113
73	Energy from waste plants treating municipal and industrial waste in 2008 in the Yorkshire and the Humber	113
74	BDS estimates of market shares of landfill companies in the North West (2006)	114
75	Structure of landfill sector in the North West	115
76	BDS estimates of landfill void and life by company in the North West	116
77	Energy from waste plants generating landfill gas in the North West in 2008	119
78	Energy from waste plants treating municipal and industrial waste in 2008 in the North West	120
79	BDS estimates of market shares of landfill companies in the North East (2006)	121
80	Structure of landfill sector in the North East	122
81	BDS estimates of landfill void and life by company in the North East	122
82	Energy from waste plants generating landfill gas in the North East in 2008	125
83	Energy from waste plants treating municipal and industrial waste in 2008 in the North East	125
84	BDS estimates of market shares of landfill companies in Wales (2006)	126
85	Structure of landfill sector in Wales	127
86	BDS estimates of landfill void and life by company in Wales	128

87	Energy from waste plants generating landfill gas in Wales in 2008	130
88	Energy from waste plants treating municipal and industrial waste in 2008 in Wales	130
89	BDS estimates of market shares of landfill companies in Scotland (2006)	131
90	Structure of landfill sector in Scotland	132
91	BDS estimates of landfill void and life by company in Scotland	133
92	Energy from Waste - Landfill Gas (Scotland)	136
93	Energy from Waste - Municipal & Industrial Waste (Scotland)	136

### Charts

1	Inputs to waste management facilities 2006 in England and Wales	19
2	Waste management trends by type of facility 2000-2006	20
3	Inputs to waste management facilities 2005 in Scotland	21
4	Industrial and commercial waste arisings by type of material 2002/2003	29
5	Estimated growth in the composting of waste in the UK	42
6	Waste deposited by type of facility in the South East in 2006	74
7	Waste deposited by type of facility in London in 2006	79
8	Waste deposited by type of facility in the South West 2006	84
9	Waste deposited by type of facility in the West Midlands 2006	91
10	Waste deposited by type of facility in the East Midlands 2006	97
11	Waste deposited by type of facility in the East of England 2006	104
12	Waste deposited by type of facility in Yorkshire and the Humber 2006	111
13	Waste deposited by type of facility in the North West 2006	117
14	Waste deposited by type of facility in the North East 2006	123
15	Waste deposited by type of facility in Wales 2006	129
16	Waste deposited by type of facility in Scotland 2005	134

### Graphs

1	Management of municipal waste in England by type of disposal 1997-2007	23
2	Management of municipal waste in Wales by type of disposal 1997-2005	24
3	Management of municipal waste in Scotland by type of disposal 1998-2006	25
4	Industrial and commercial waste arisings and management	29
5	Municipal waste arisings by type in England	47
6	Construction and demolition waste management 1999 to 2005	48
7	Municipal waste arisings 2000/01 to 2006/07 – South East	75
8	Municipal waste arisings 2000/01 to 2006/07 – London	80
9	Municipal waste arisings 2000/01 to 2006/07 – South West	85
10	Municipal waste arisings 2000/01 to 2006/07 – West Midlands	91
11	Municipal waste arisings 2000/01 to 2006/07 – East Midlands	98
12	Municipal waste arisings 2000/01 to 2006/07 – East of England	105
13	Municipal waste arisings 2000/01 to 2006/07 – Yorkshire and the Humber	112
14	Municipal waste arisings 2000/01 to 2006/07 – North West	118
15	Municipal waste arisings 2000/01 to 2006/07 – North East	124
16	Management of municipal waste in Scotland 1998 – 2006	135
