its structure, markets and prospects

The cement industry in Great Britain
– its structure, markets and prospects

Contents

	Page No's	
1	Introduction	1
2	Market size	2
2.1	Current market size	2
2.2	Trends in cement volumes	3
2.3	Cement imports	6
3	Trends and analysis of product uses	10
3.1	Bulk cement	10
3.2	Packed cement	13
4	Company market shares	15
4.1	Total cement market including imports	15
4.1.1	Breedon	16
4.1.2	Tarmac	17
4.1.3	Cemex	18
4.1.4	Hanson	18
4.1.5	Aggregate Industries	19
4.1.6	Others	20
4.2	Bulk and packed cement	21
4.3	Internal cement requirements for cement suppliers	22
5	Location and ownership of cement sources	25
5.1	Estimated outputs and capacities of cement plants	25
5.2	Estimated outputs and capacities of cement imports	28
6	Regional cement markets	29
6.1	Bulk cement	29
6.2	Packed cement	30
7	Cementitious materials	31
7.1	Total market	31
7.2	Ground granulated blast furnace slag (GGBS)	33
7.3	Fly ash	34
8	Investment, Innovation and development opportunities and strategies for cement companies	35
8.1	Investment	35
8.2	Innovation in cement, new products and services	37
8.2.1	New product lines	37
8.2.2	Carbon storage and usage	38
8.2.3	Digitisation and robotics	38
8.2.4	Low-carbon products	39
8.2.5	Waste and alternative fuels	40
8.3	Development opportunities	41
9	Future industry prospects to 2022	42
10	BDS Reports	45

Tables

1	Estimated breakdown of the cement market in 2018	2
2	Summary of cement plant planning activity since 2016	4
3	Imports of clinker and cement by value (current prices - £million)	9
4	Markets for bulk cement (2018)	11
5	Markets for packed cement	14
6	BDS estimates of market shares of cement (2018)	15
7	BDS estimates of company shares in bulk and packed cement 2018	21
8	BDS estimates of internal cement requirements to ready mixed plants	22
9	BDS estimates of internal cement requirements for cement companies GB 2018	23
10	GB cement producers' interests in value added markets	24
11	BDS estimates of volumes and shares of GB cement plants, 2018	25
12	BDS estimates of capacities of GB cement plants, 2018	26
13	BDS estimate of volumes of GB cement imports, 2018	28
14	BDS estimate of the bulk cement market by region, 2018	29
15	BDS estimates of the packed cement market by region, 2018	30
16	Summary of major contracts signed by cement companies in 2016 and 2017	36

Charts

1	GB cement production, 2001-2018	3
2	Share of GB cement production versus GB imports since 2001 to 2018	7
3	Share of cement imports supplied by producers and others from 2001 to 2018	8
4	Cement markets by end use since 2003	12
5	Aggregate Industries cement production 2014 to 2017	19
6	Trend in fly ash/GGBS sales since 2000	32
7	BDS forecast of cement markets to 2022	44

Map

1	Location of GB cement plants, cement importers and rail depots	27
