### **BDS Market Intelligence**

BDS is an independent and innovative market research consultancy with over 30 years' experience specialising in minerals, heavy building materials industries and waste sectors. BDS provides marketing intelligence, insight and reports in addition to bespoke consultancy in the following areas: Aggregates, Ready Mixed Concrete, Asphalt, Cement, Concrete Products, Waste Management, and related sectors.

### **Intelligent Reports**

BDS has a reputable portfolio of publicly available industry reports, amongst these are the BDS annual estimated outputs and market shares for key sectors including aggregates, asphalt, ready mixed concrete, concrete products and cement. Examples of other reports published by BDS include:

- Estimated outputs of pits & quarries and marine wharves in Great Britain
- Estimated reserves of pits and quarries in Great Britain
- Outputs and market shares of Great Britain aggregates companies
- Estimated outputs of aggregates moved through rail depots
- Directory of aggregates plants in Great Britain
- Estimated outputs and shares of companies and plants producing building blocks, concrete block paving and paving slabs
- Listing of recycled aggregate plants in Great Britain
- Planning reports to cover waste facilities, new concrete plants and concrete product works in Great Britain

### **Intelligent Planning**

BDS monitor planning activity on a range of market sectors and products on a continuous basis across all the planning authorities in Great Britain, Northern Ireland and the Republic of Ireland. This information is made available to clients via the BDS online portal and monthly reports, through an annual subscription. For the aggregates industry, all planning activity relating to developments for minerals is tracked and published to subscribers.

### **Intelligent Consultancy**

BDS has an extensive list of clients who commission bespoke, independent and industry sectors surveys and studies. These include market size assessment & analysis / prospects for new investments / business & product development / acquisition appraisals / commercial due diligence / company analysis, markets & prices / market-based research.
