### BDS Market Intelligence

BDS is an independent and innovative market research consultancy with over 30 years' experience specialising in minerals, heavy building materials industries and waste sectors. BDS provides marketing intelligence, insight and reports in addition to bespoke consultancy in the following areas: Aggregates, Ready Mixed Concrete, Asphalt, Cement, Concrete Products, Waste Management, and related sectors.

#### Intelligent Reports

BDS has a reputable portfolio of publicly available industry reports, amongst these are the BDS annual estimated outputs and market shares for key sectors including aggregates, asphalt, ready mixed concrete, concrete products and cement. Examples of other reports published by BDS include:

- Annual reports showing the latest position of household waste:
  - Disposal contracts
  - Treatment contracts
  - Collection contracts (residual collection and recycle collection)
- Estimated waste deposited at landfill sites
- Directories of waste facilities including MBT, MRF and HWRC
- Estimated void space and years life remaining at landfill sites
- Estimated outputs of aggregates moved through rail depots
- Other planning reports covering minerals and concrete / concrete products
- Details of aggregates recycling plants

#### Intelligent Planning

BDS monitor planning activity on a range of market sectors and products on a continuous basis across all the planning authorities in Great Britain, Northern Ireland and the Republic of Ireland. This information is made available to clients via the BDS online portal and monthly reports, through an annual subscription. For the aggregates industry, all planning activity relating to developments for minerals is tracked and published to subscribers.

#### Intelligent Consultancy

BDS has an extensive list of clients who commission bespoke, independent and industry sectors surveys and studies. These include market size assessment & analysis / prospects for new investments / business & product development / acquisition appraisals / commercial due diligence / company analysis, markets & prices / market-based research.
