

# 2023 Aggregates, RMX and Asphalt Industry Directories now available!

BDS Marketing Research Ltd, an independent and innovative market research consultancy specialising in the construction materials and waste sectors publishes a portfolio of industry directories annually. The Aggregates, RMX and Asphalt 2023 directories are now available to purchase and include a complete list of operating sites and plants across Great Britain.

The complete BDS portfolio of directories (2023) include:

- Directory of Aggregate Sites
- Directory of Asphalt Plants
- Directory of Ready-Mix Concrete (RMX) Plants
- Directory of Concrete Product Sites
- Directory of Energy from Waste (EfW) Plants
- Directory of Household Waste Recycling Centres (HWRC)
- Directory of Material Recycling Facilities (MRF)
- Directory of Mechanical Biological Treatment Plants (MBT)

The directories are supplied in pdf and excel format (for ease of use and filtering of data) and include, as a minimum, site name, company name, site address, postcode and region.

The directories are extremely useful for companies wishing to obtain a current understanding of the different markets, competitors, and regional variations.
